1. Prior to November 1951, the number of military districts in Czechoslovakia was reduced from three to two, with the 1st MD covering the area of Bohemia and the 2d, covering Moravia and Slovakia. The Hq 2d MD was located in Trencin (P 49/T 58). For this purpose the former military district headquarters in Bratislava (P 49/X 99) was moved to Trencin, and some of the officers with their dependents were billeted in Trencianske Teplice (P 49/T 53).

comment. According to newspaper reports, SMZ General Janda (fnu) was chief of Department III of the Ministry of Interior. No other general of this name has been identified with the army during recent years. General Tokan (fnu) is probably identical with the colonel of the General Staff of this name, who was reported to have been an instructor at the military academy in November 1949. General Kalina (fnu) was repeatedly confirmed as the commander of the 9th Inf Div until December 1950. General Marcelly (fnu) was mentioned in Czech newspapers of September 1951 as holding an appointment in Bratislava.

comment. The IV Army Corps in Brno, the V Army Corps in Trencin and the VI Army Corps in Banska Bystrica are known from previous reports. The VI Corps was allegedly deactivated as early as 1948. Except for the 16th Machine Gun Bn and the 14th Motor Trans Bn, all units mentioned in the present report are known by their numbers. Allowing for minor changes in disposition, the following units may continue to be carried in their previous billeting areas:

Senica-Levice-Bratislava area. 9th Inf Div with the 7th, 12th and 39th Inf Regts, the 9th Arty Regt and the 259th AT Arty Bn.

Kosice-Prešov area. 10th Inf Div with the 14th, 20th and 32d Inf Regts, the 11th Arty Regt and the 261st AT Arty Bn.

Zilina area. 22d Mtz Arty Brig with the 109th and 110th Arty Regts.

Kosice-Zilina-Topolcany area. 8th Arty Brig with the 307th, 308th and 317th Arty Bns.

Lipt. Sv. Mikulas-Bratislava area. 153d, 188th and 189th AAA Regts.

Bratislava area. 4th Engr Regt, 14th River Engr Bn and 62d Inf Bn.

Lipt. Sv. Mikulas area. 2d Railroad Bn.

Bzenec area. 53d Mtz Arty Regt of the 3d Mtz Inf Div in the Kromeriz area.

Units which have been carried in other areas to date include the 4th Arty Regt of the 14th Inf Div in the M. Holoslav area; and the 5th Arty Regt of the 1st Inf Div in the Cos. Hudecovic area. The 4th and 5th Arty Regts are reported to be stationed in Slovakia for the first time. If this information is correct, it would imply that a reorganization has also been effected in the areas of the 1st and 14th Inf Divs.
